Deb and Megan,

As we've discussed, OEJ is pulling together an abbreviated Agency EJ Progress Report for 2018 and attached is the R8 input that I have provided to OEJ as draft (pending your review). Note that the draft write-up that I have provided to OEJ represents just a few examples of regional progress. Also, it has more detail than will ultimately end up in the National Progress Report. OEJ is planning to circulate a compiled initial draft report for review and comment next week.

Please let me know if you have any questions or comments.
